## “k-sparse numerical semigroups”

BY

**Nil Şahin**  
(Bilkent)

**Abstract:** In this talk, I will present k-sparse numerical semigroups as a generalization of sparse numerical semigroups using the recent paper "On k-sparse numerical semigroups" by Guilherme Tizziotti and Juan Villanueva.

**Date:** 10 May 2019, Friday

**Time:** 15:40 +

**Place:** Mathematics Seminar Room, SA- 141

Tea and cookie will be served before the talk. You are most cordially invited.
