“Existence and termination of flips”

BY

ALI ULAŞ ÖZGÜR KIŞISEL
(ODTU)

Abstract: We will discuss results and conjectures about the existence and termination of flips. Some of these developments are relatively recent.

Date: 6 April 2018, Friday

Time: 15:40 +

Place: Mathematics Seminar Room SA-141

Tea and cookie will be served before the talk. You are most cordially invited.
