

# ALGEBRA SEMINAR

## Persistent Homology

By

**Mehmetçik Pamuk**  
(METU)

**Abstract:** This talk will be a brief survey on persistent homology. I will pay particular attention on the algebraic structure of the persistent homology modules and its consequences.

**Date:** March 4, 2020

**Time:** 13:40

**Place:** SA141 Mathematics Seminar Room

Refreshments will be served after the talk
