Extremal Functions on Weighted Bergman Spaces on the Unit Disc

By

Alper Balcı
(Bilkent)

Abstract: We solve extremal problems on weighted Bergman spaces on the unit disc. We use Bergman projections as initiated by T. Ferguson.
We extend this method to include the case p=1 using that duals are the Bloch space.

Date: Wednesday, December 22, 2021
Time: 18:00-19:00, GMT+3.
